DEPOSIT ACCOUNTS RANKS TOTAL BANK AMONG THE TOP 2016 HEALTHIEST BANKS IN THE COUNTRY

MIAMI (June 28, 2016) – Deposit Accounts has ranked TotalBank among the Top 2016 Healthiest Banks in the country as part of its annual Health & Stability rankings. Of the 200 banks ranked by the bank account comparison site, TotalBank is the largest and most well-established of the only three Miami-Dade banks on the list.

As reported earlier, TotalBank's first quarter growth posted an exceptional 18 percent earnings increase, reflecting its position as one of the strongest banks in the region.

"We are pleased, but not surprised, to be included in the ranking of the Healthiest Banks in the country," says TotalBank President Jay Pelham. "This independent ranking is a reflection of our recent performance, which has positioned us to provide a higher level of service and financial support to our customers."
